Potentate's Message

Well here it is.... officially the halfway point of 2022! What a great year it has been so far thanks to all the support and hard work from you – the Nobles and Ladies of Tangier! Lady Colleen and I cannot express our gratitude enough.

We are closing in on the halfway mark of our parade season as well. Ralston's parade on the 4th is always a favorite, and we will also be participating in the Carter Lake parade on July 30th. Be sure to check the weekly email blasts for line up details and directions. Thank you for your continued efforts to highlight the Shriners.

The Divan will be traveling to Minneapolis for this year's Imperial Session July 2-7. where we will vote on pertinent issues and welcome in the new Imperial Potentate. We will share all the information acquired during this year's Session at our Joint Stated Meeting on July 14th. Please plan to attend.

Tangier will be hosting a Food Drive in the parking lot on Saturday, July 16th from noon until 4 p.m. Our Trustee, Dave Workman, is chairing this event and has set a goal of collecting 10,000 non-perishable items. There are two great incentives to donate: Ice cream sundaes will be available as a thank you, AND for every ten items you donate, you will receive a chance to 'Pie the OG', Randy Behounek. All items collected will be given to Together Inc. of Omaha.

If you haven't already done so, register now to join the fun at CSSA in Wichita August 24-28. We would love to have a large turnout of our members join in the competitions or to come just for the fun and comradery. Please call the Office to register and make your deposit. It's not too late!

As I look ahead, there are two major fundraising events to put on your calendars. Our annual Spaghetti Feed will take place on Sunday, Sep. 18th, and the Festival of Trees will run Nov. 18-26. Both events require a lot of help from our members. There, of course, will be more details as those dates draw nearer.

Have a safe and fun summer! As always, it is truly an honor to serve you.

Fraternally,
Bill German

Vintage Iron

By: Jeff Weller

Tangier SHBD Show N Shine was another success. Thanks to Don Streeter and crew for all their hard work, we really appreciate all of you that volunteered/helped to make this a great event for Tangier. Good Job!

Parade season is upon us once again. I encourage Vintage Iron members to come out to parade and promote Tangier. If you're not able to get your car out or don't have one, try to ride with someone going. It's a great opportunity to build camaraderie with other Shriners/Units & Clubs and have fun! Check the Hot Sands for parade/events.

CSSA will be in Wichita, Kansas August 25-28 (Thursday – Saturday) this year. Hopefully, you already have your reservation into Sandy. If you are planning to compete, remember we have a new uniform this year. So, if you haven't ordered yet, get your shirt, pants, belt, and shoe sizes in as soon as possible to Jeff.

Vintage Iron meets the fourth Tuesday of each month at 7:00 pm. Vintage Iron is a club for 1987 and older American vehicles. If you have an old car and you're interested in joining the club please contact Ron at 402-616-6024.

Hope to see ya at the parades!

Arab Patrol

By: Steve Bugajny

Greetings to you my fellow Shriner Brothers.

Summer is here and so are the activities that go with it. How fun to see people at the parades again. Its so nice to be in the parades again. Of course the big daddy this month in Ralston. Wowza, what an event.

I will keep this shorter this month. Really not much out of the ordinary for Arab Patrol. We continue to enjoy the group gatherings, which allows us more time to get to know our new members. We have upped the dinner meetings, and thus the group grows with spouses and significant others.

Our Wine Tasting at the Shrine committee is already at work. Hard to believe that's only a few months away. We are planning bigger and better, and of course more fun. Details soon.

Enjoy yourselves and stay safe.
Peace and harmony to you.

Chanters

By: Bernie Hauber

For several weeks from May 16 through June 20, the Chanters did not meet, nor did we practice. We practiced on June 27, because the Chanters will sing the National Anthem at the July 9 Lincoln Salt Dog Event (OES Grand Chapter Lincoln Visitation). The game against the Kansas City Monarchs begins at 7:05 pm. We will probably need to be in Lincoln (Haymarket Park) by 6:30 pm.

There has been continued discussion about possible Chanter performances this summer. St. James United Methodist Church West (4343 Capehart Road, Bellevue) wants the Chanters to sing on Sunday, July 31 at the 9:30 am contemporary service. There might be performances at additional local churches and other events, but no further specific dates, etc. are available as per the writing of this article.

We can use your help in our musical promotion of Shriners' philanthropy. If you are or if you know a noble (or a mason) with a love of music, an interest in musical fellowship, and any kind of singing voice, please contact any Chanter, leave a message at the Shrine Center, or just show up on a Monday. We usually start practice in the Tangier Main Room promptly at 7:00 pm. If you want us to sing at public and Masonic Family events, your request should be received early to verify our availability. That's my update for July.

"Singing has always seemed to me the most perfect means of expression." Georgia O'Keeffe (American painter)

Hospital Float

By: Mike Donham

June brought four scheduled parades. June 4 was the Shrine Bowl Parade in Kearney. It was neat to see and hear the Masonic All Star Band and to see both football teams march in the parade. They were very well received by the crowd along the route.

Parades in Blair, Cedar Bluffs, and Papillion completed the schedule for June. Of course, July 4 will be the Ralston Parade.

Noble Don Harrington spent time in the hospital but is home recuperating. Get well soon!

July birthday wishes are sent to Noble Ken Nisley and Lady Anita Peck. Celebrating anniversaries in July are Noble Stan and Lady Carol Hale and Noble Dick and Lady Pat Whiteman.

A golfing quote: "If you think it's hard to meet new people, try picking up the wrong ball." – Jack Lemon

Mobile Nobles

By: Dave Stolp

The July 4th parade in Ralston is always the granddad of our schedule every year. I am of the opinion this is the most attended parade of our season. Many folks will be on hand for this one.

July 10th takes us to Fremont for the John C. Fremont Days parade. This parade is always exciting especially for the Keystone Cops. There have been water fights between the patrons and the Keystone Cops in prior years and I sure it will continue this year.

July 30th takes us to Carter Lake for a parade.

The work continues on the cars for the "Little Train". The engine is complete and is ready for paint. I am sure we will see photos soon.

We are currently working on installing new air conditioners in the club car of "Old 357". The current units are still working, but they have seen better days.

Please remember to support all Clubs/Units and Tangier whenever you can.

Well, that's all for now. See Ya-all down the tracks.

Keystone Kops

By: Captain Bernie Rolfs

Hello Kops and Kuties. First I would like to apologize to everyone for not staying on top of the Hot Sands. Now I hope that everyone is having fun with the parades and everything that has been going on. We still have parades coming up so hopefully we will keep the fun going. We have Independence Day coming up so everyone be safe and have fun with family and friends. Don't forget the food drive on the 16th of July.

Also the coming event is the Boone & Crockett Wild Game Dinner so let's get out to support them. Also the Provosts are doing the Firework Stand again so if you want to go and check it out for them they would like to see you. They will sell them from June 25 through July 4.

Remember if you are going to CSSA get your money in. And keep getting things for the Auction that is coming up.

Provost

By Jim Schmidt

The year's first half is behind us with a successful Circus, a handful of parades, Shrine Hospital Benefit Days, and a Show and Shine. Thank you to all the Provost who supported these events. Once again, we had great Provost support for the circus.

Hopefully, you are enjoying the summer weather. Along with warmer weather comes more parades and fireworks. Our fireworks fundraiser is already underway. If you have not helped yet, please join us for fellowship while assisting people in supporting our awesome group. We should hopefully have another great year with fireworks, as this is our 11th year doing fireworks, and we have learned so much that we have it down to a science.

If you haven't been to a meeting for a while, come and join us on July 21st to hear about all the upcoming events firsthand and enjoy some good fellowship. If you're not a member of Provost and would like to be or want to see what our unit is all about, feel free to attend one of our meetings scheduled on the third Thursday of each month.

Shrine Bowl Unit

By Greg Hess.

Greetings from the Shrine Bowl Unit. It's nice to be able to parade again. Our unit has participated in just about all of the parades so far this season. We kicked off with the Florence Parade and followed up with great turn outs for the both the LaVista and Blair parades. Our unit hosted the Oasis after the LaVista parade which was held at the Shrine. Dan Henn and his Lady Ruth did a fantastic job running that for us and we all appreciate it.

On Friday June 3rd we had six nobles and eight ladies make the trek to Kearney for the Shrine Bowl game. Our gang stopped at Chances R in York for lunch on the way out. A couple of our members sold raffles tickets before the player/parent banquet Friday with success! *Well of course, the unit hosted it's Annual Jenga Game in the hotel parking lot next to the bus. All the Divan came over and partook in the competition.*

Laughs and Good Times Were Had By All.

We attended the Shrine Bowl Game parade Saturday morning and then delivered the hot dogs and buns for the Oasis. Sunday during the Show and Shine, Tim Burnet, Kenney, Chuck P, and Stan helped out and sold shirts. I hope to see you a parade soon and be safe on the Fourth of July.

Corvette Club

By: P. Larson

The Nebraska Shrine Bowl for 2022 was another great success. Thanks go out to Dave "Diesel" MacDonald and his lady MaryAnne, who helped coordinate the Shrine Bowl events. Without Diesel's leadership this event would certainly not have been such a huge success.

As always, the Corvette Club had great participation at all the June parades. Additionally, the Annual Tangier Show & Shine which supports the Shine Hospital Benefit Days was held the day after the Nebraska Shrine Bowl and the Corvette Club sported 10 Corvettes at this show.

To date the Corvette Club is preparing for the CSSA Competition in Wichita, Kansas in late August to take possession of the over-all CSASMC Competition trophy once again for the 8th year in a row! Let's GO TANGIER CORVETTE CLUB!

Additional things you should know about Chevrolet's most iconic vehicle the Corvette: The Corvette has been used as the pace car of the Indianapolis 500 thirteen times, more than any other vehicle; You might be surprised to learn that the 1968 LT-2 Corvette prototype is the fastest in history, completing the quarter mile in 10.86 seconds and going 0-60 in 2.8 seconds. Though the 2009 ZR1 came close with a quarter mile at 11.4 seconds, the old prototype still reigns supreme; The original 1953 Corvette offered only two options – a heater for \$91.00 and an AM radio for \$145.00. A Corvette with all the trimmings would set you back a total of \$3,749.

REMEMBER – the Corvette Club is looking for a few new members who own a parade-worthy Corvette. The club meets at Tangier Shrine Center at 6:00 PM the second Monday of every month. Please contact President Rick Whitesides at 402-319-0463 or by email at whitesides@centurylink.net.

Until next time, keep you top and windows down when it is SUNNY and HOT, but UP when you go through the car wash!

Women's Auxiliary

By: Jan Moore

As I write this article, Dick is getting ready for the parade in Blair. This brings up the fact that we are just a few weeks from the biggest day of the year for our country, Independence Day. Many of us take for granted the freedoms that we enjoy. I hope that you take the time to reflect, just a little, on what the USA means to you and to all of us.

We want to thank everyone that has sent us a contribution for the Bakeless Bake Sale. We have had a great response, and the envelopes are still coming. This year we did something a little different. We sent the letter to all of the clubs and units of the Shrine. There are four that have contributed to this as I write this article and we especially want to say a big thanks to them. They are Arbor Shrine (thanks a million), the Pagentry Unit of the Daughters of the Nile, the Ritualistic Divan and LOH. ALL of the money raised from this drive, will go to the General Auxiliary Wheelchair fund. The wheelchair fund is used to purchase new chairs, including motorized, repair of broken chairs, crutches, bath chairs, etc. The Shrine does not provide these articles and the Minneapolis Clinic is the only Shrine entity that has an auxiliary that does provide this equipment. We hope that you read about the amount of money that the General Auxiliary provided for the kids last year, in the June Hot Sands.

We will be meeting during the summer. We have quite a collection of can tabs at this time and hope that you will saving yours for us during this long hot summer. Every penny counts.

Be kind to one another and I will talk with you again next month.

Friday night is Jenga night for the Shrine Bowl Unit!

Straight Shooters 

By: Greg Norton

Legion of Honor doing the Memorial Day flag display with the help of AR Bryan Deming & Barry Higgins.

Greetings to all! The Straight Shooters is a Gun club within Tangier Shrine in case you have not heard of us. We get together twice a month to practice our shooting and have a fun night. We go next door to Frontier Justice on the first and third Saturday of each month around 6:00 – 6:30. If you would like to join us and see what all we do, please feel free to come over or come to our meeting on the fourth Thursday of the month at 7:00 pm. We are always looking for new members.

We are currently having a fundraiser to help us support our club. There will be three prizes, each is a gift card to Just Good Meats. Prizes are \$300, \$200, and \$100. We will be drawing the winners at the July meeting. Each chance is only \$10. We still have a few to sell, so please get with a member of the gun club, or you can contact Chip Woodman or Greg Norton or contact the office. Good Luck and hope to see you at the meeting or shooting range.

Vessel Safety Check Benefits

The purpose of the Vessel Safety Check program is two-fold: to ensure your craft is safe from bow to stern, and to add to your enjoyment of boating.

A Vessel Safety Check may help:

- Prevent citations by ensuring your vessel meets federal, state, and local safety equipment requirements;
- Identify possible equipment defects-and costly breakdowns;
- Increase safe boating practices to help you avoid accidents and injuries;
- Provide a better understanding and use and care of your marine safety equipment.

Chart your own course for the Future

As a member of the Coast Guard Auxiliary, you will be able to choose from many exciting opportunities for service:

- Help save lives--Through boating safety instruction in the classroom, through Vessel Safety Checks, or in on-the water operations.
- Increase your skills--Take advantage of advanced training in surface operations, leadership, or one of the many courses available through the Auxiliary and Coast Guard. As a member of the Auxiliary, there are no fees for these courses.
- Support the Coast Guard – Become qualified to serve at Coast Guard units in radio watchstanding, marine environmental protection, Homeland Security, and other operational and administrative support.
- Fun and fellowship – Enjoy the company of fellow Auxiliaries during training missions, at meetings, or social events. We enjoy our work and we enjoy each other's company!

Tangier Tales

History that is Tangier

William Henry Dorrance Sr. (1880-1950) Potentate 1936

As of 2022, Nebraska was number eleven on the list of states with the most counties within its borders. Fillmore, named after U.S. President Millard Fillmore, is one of the 93 counties found in the state of Nebraska.

It was in Fillmore County on March 5, 1880, Frank and Harriet (McLeod) Dorrance welcomed William Henry Dorrance Sr. to the family. The couple would add five additional children to the family over the next fifteen years. Sadly, two of their six children would not survive to adulthood. Frank Dorrance was born in Michigan and Harriet McLeod was born in Canada. The two married in Geneva, Nebraska August 23, 1879.

The 1900 Census finds Frank, Harriet and 2 of the children living on a farm in Sarpy County Nebraska. William seems to have been driven and desirous of a life away from the farm. In 1898 William left his family of origin to embark on his journey toward adulthood. W.H. or "Bill", as he was also called, moved to Omaha to attend commercial college. By all accounts, he was fearless and had a personal code that guided him. Once, he found himself present at an Omaha drug store during a holdup. The bandit ran about two blocks before he was tackled. It was William that gave chase and made the apprehension? This will become a theme we revisit later.

While pursuing his education, Bill worked as a messenger "carrying papers", washing dishes in a restaurant for his meals and "sitting up with corpses" at a local mortuary. Whether he accepted this undertaking out of necessity; or the decision was purposeful, this decision, and a man named Edwin F. Brailey, would significantly impact the direction Bill's life would take.

In 1900, at age 20, William can be found working as a stenographer in the offices of the superintendent of the U.P.R.R. He moved up quickly, and by the fall of that year was promoted to timekeeper of train and engine men. William was approaching age 21 when he determined the time had come to establish himself in business. Success or failure would depend upon his own talents and energies and not those for whom, or with whom, he was employed. He had met Edwin Brailey and while "sitting up with corpses" had studied embalming. The next step appears to have been clear. On July 1, 1901; William Dorrance and Edwin Brailey formed a partnership that would be known as the firm of Brailey and Dorrance, Funeral Directors, with parlors at Cuming and Twentieth Streets. There were various funeral directors in Omaha during this time, but Brailey and Dorrance were enjoying success and by 1907 had built a new two-story brick structure on the corner of Nineteenth and Cuming streets.

Edwin Brailey wasn't the only individual that had made an impression upon Bill. A certain Miss Mae M. Robinson had become an important part of Bill's life after he moved to Omaha. He and Mae were married in the parlor of her parent's home at 715 First Avenue in Council Bluffs Iowa on November 27, 1902. Bill and Mae would welcome at least two children into their family, William Henry Dorrance Jr. in 1905 and Gretchen Angeline Dorrance in 1907.

Though Bill and Mae enjoyed a successful 48-year marriage; their lives, like so many now, and many at the time, would be inextricably marred by tragedy. Forest Lawn Cemetery records show an infant child of 3 days, born in 1903, and buried in the family plot, was likely the child of William and Mae. Harriet Dorrance, Bills' mother, had contracted Typhoid Fever that led to Consumption. She passed away May 26, 1904, at age 41. In 1908; on a business trip Near Falls City Nebraska, Mae's father, George A. Robinson, fell from an automobile he was driving and was killed instantly at age 62. In 1910, five-year-old William and 3-year-old Gretchen Dorrance were playing near the furnace in the basement of the family home at 2780 Central Boulevard. Paper was lit and a fire quickly spread. Though both children were rescued, Gretchen sustained injuries to her lungs from smoke and the hot gases present in the fire and it was feared she would not survive, she did. Scarlet Fever invaded the family home in 1911. It would claim William Dorrance Jr. on February 1, 1911, and his sister Gretchen, a week later, on February 8, 1911. The first nine years of their marriage had been a series of hardships, but Bill and Mae would go on.

Brailey and Dorrance continued to enjoy success serving the Omaha community, not only in business, but also in civic affairs. In 1902 Edwin Brailey was elected coroner of Douglas County and the Coroner's Office was moved from N.P. Swanson's Funeral Home at seventeenth and Cuming streets to Brailey and Dorrance Funeral Parlors. Brailey would continue as coroner until he was elected Douglas County Sheriff in 1907, serving two terms.

After the untimely death of his business partner and friend in 1922, Bill would continue Brailey and Dorrance as sole proprietor. He continued to innovate and use the latest technology. As early as August 1922, The Brailey and Dorrance Ambulance Service had been established and was in high demand. Calls from Blair, Irvington, and other communities around Omaha and western Iowa were not uncommon.

Like Brailey, Bill was civic minded. He served the Omaha community in several capacities. Bill was on the City Council and from 1935 to 1939, he served as Omaha's Fire Commissioner. In this capacity, he endeavored to ensure both equipment and manpower was sufficient to serve and meet the needs of Omaha's citizens.

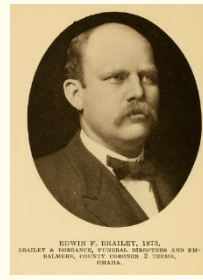

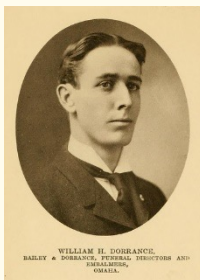

Late one evening; in May 1936, after returning to his home at 402 Lincoln Boulevard, a man approached him outside his garage. "Put 'em up, old man," the robber demanded. "Like hell I'll put them up. Get the hell out of here," said Dorrance. Bill stepped over a hedge and swung at the man. The bandit swung, too, and hit Bill on the head with his gun. Bill wasn't sure if he was knocked down or tripped. The gunman, likely surprised at the resistance, ran. It seems that this was not the first encounter of this type, for Bill. It had happened before when he was out late at night. He always resisted and robbery was never successful, he stated.

After four years as Fire Commissioner, Dorrance sought, and was elected, Douglas County Sheriff. He ran on a platform to enforce both gambling and liquor laws. While campaigning, Bill declared, "I am serving notice on all operators of gambling or liquor establishments or slot machine operators now existing or with any intention of opening that they must either operate within the law or suffer the consequences."

In January 1939, Bill took over as Sheriff. His approach to the job was very much the same as his approach to his business and other civic positions held. He sought to ensure there were adequate and experienced deputies on each shift. He put his deputies through "deputies' school," a well as first aid and disaster relief training. Always wanting to bring the latest technology and innovation to his endeavors, Bill made certain his deputies had the latest equipment at their disposal. Most notably, he equipped all cars with a new and enhanced two-way frequency modulation (FM) radio system. Antennas placed strategically throughout the city and the new radios allowed for greater coverage and much more timely and efficient service to Omaha's citizens.

On November 27, 1950, Sheriff Dorrance, aged 70, underwent an abdominal operation at Clarkson Hospital, for an undisclosed illness. He came through the surgery but failed to rally. On December 6, 1950, at 6:05 p.m. at Clarkson Hospital, he laid down his working tools. He had been Sheriff since 1939 and had said he would not seek re-election when his term ended in 1950. Bill was survived by his wife Mae. She passed away in 1967, aged 88.

Upon Sheriff Dorrance's death, Hugh Cutler, Chief Douglas County Deputy Sheriff, took over as acting Douglas County Sheriff. In January 1951, Douglas County Sheriff elect Richard E. Collins to over the Sheriff's office from acting Sheriff Cutler. Hugh would continue with the Sheriffs Office until December 1, 1951.

"Let Us Show You How Home Remodeling is Supposed To Be"

Chad and Kory grew up Elkhorn in the 80's riding big wheels together. Now they have traded in their big wheels for Black Carp's Trucks and remodeling homes in the Omaha Metro Area.

Keeping homeowners happy, comfortable, and informed is an integral part of our business practices. We are a locally homegrown business that will be here for you when you need us and make your remodeling experience an enjoyable and affordable one that you will be able to enjoy for years to come. With Carp's you get the advantages of a large one-stop shop with the customer service you might find at a smaller company. We started with one man and an idea of how, to do things the right way the first time around.

Our customers contact us when they want to deal with one company that can take care of all of their service and project needs.

We don't profit by overcharging and getting cheap labor and moving on to the next project. We believe that it is vital to have homeowners involved in every step of the process.
