Potentate's Message

Greetings to the Nobles and Ladies of Tangier Shrine!

We thank all of you for a successful series of February events: Another Nebraska Grand Lodge Annual Communication has come and gone. We began working on our Inaugural Sportsman's Raffle ticket sales and sponsorships. Imperial Sir Brad Koehn and Lady Cheryl visited Tangier for our informal meeting with the Nobles and Ladies of Tangier. Thanks to the nobles and ladies of the Mobile Nobles for decorating Tangier and serving the great dinner prepared by Jimmy Hirl and crew. Nebraska Shrine Bowl presented some great information on their success this past year and we kicked off activities for supporting the 2023 Nebraska Shrine Bowl players and game. Rod and Angie hosted a great Super Bowl Watch Party - Thank you to all those who participated and shared their great food and company. Once again, Tangier's Units and Clubs were busy with their own activities and good times were had by all.

March has arrived and we are planning for it to "come in like a lamb and go out like a lion!" Of course, we continue the tradition of "Donuts at Tangier" on Tuesday mornings through March. Hamburger nights will continue most Wednesday evenings as well. We will begin the month with a regular stated meeting on March 9th. We plan on participating in the annual St. Patrick's Day Parade in downtown Omaha on Saturday, March 11th, followed by the Mobile Nobles' 357 Raffle and Karaoke that same day.

Friday, March 17th is St. Patrick's Day and Tangier will be celebrating and serving an Irish Stew lunch followed by Adam's "Irish Nachos" in the early evening. We will be open all day with happy hour prices on drinks all day long! Bring your family, friends, neighbors, and co-workers! All are welcome! We are also trying another different activity this year - A Luck of the Irish, Left-Right-Center tournament in the evening. The game is easy to learn and great fun to play with a crowd. If interested, please pre-register with the Tangier office or you may register on that day.

The Central States Shrine Association Mid-Winter Business Meetings will occur in Omaha on March 24th and 25th. This is our trial run for the big CSSA event in August-September.

We wrap up the month with the Tangier Potentate's Ball on April 1st at the Omaha Scottish Rite. The ball committee has been hard at work planning this event. Dawn and I extend an invitation to the Nobility to come and have a great evening of fun. We would be honored by your presence! See the registration form in this Hot Sands.

I thank the nobles and ladies for all of their support of all of the activities at Tangier. It is further proof that we have the finest members and best Shrine in the realm. Let's continue to TCB in 2023!

Paul Gonzales

Arab Patrol

By: Steve Bugajny

Greetings one and all. We made it. Got past the winter season, now we could have an odd storm in March but even so it would melt off pretty fast.

We at Tangier will start earlier this year with activities. And the parade season will also start sooner. Double check the schedules and the updates from the weekly Potentate info email.

Many changes to events also happening. Gotta stay on top of it.

Of course, we at Arab Patrol are anxious to help with what needs assistance. We have been so blessed with this past years events old and new. We continue to keep it going and keep having fun in the process. We sure love the camaraderie, and our unit continues to grow nicely. We have several new members and they along with their significant others are participating where they can and how much they can. We have numerous get-togethers for dinner or socializing and we enjoy learning more about each other.

If you are looking for a fun inclusive group, stop by on the 2nd Monday of the month at 7pm lower level. Give us a try.

Well, enjoy the spring before the heat sets in. ~ Peace and good cheer.

Keystone Kops

By: Thomas "Chilly Willy" Ross

Hello all Kops, Kuties, and those interested in becoming one of those. March is all about helping with Tangier events or supporting other clubs and units with their fundraisers. One thing that many of us forget about is the stated meeting. Stated meetings are the second Thursday of every month. This is a meeting focused on nobility and the happenings around Tangier. It has been ages since many of us have been to a stated meeting so I challenge all nobles to grab a brother or two and participate in the stated meeting as well as the dinner.

First up for this wonderful month of March is Hamburger nights. Hamburger nights are every Wednesday in the lower level. It's an easy way to support Tangier and get a great meal. Also, they almost always have more than just Hamburgers so come on in and check it out. On March 11th is our first parade of the year. This is the St. Patty's Day parade in downtown Omaha. Following the parade that night is the Mobile Nobles dinner and drawing. To conclude, the month of March is the Potentate's ball. There are events on Friday night March 31st with the main event happening on Saturday April 1st. This will be a spectacular night on the town so be sure to RSVP early for this event.

Arbor Shrine

By: Don Larson

All of those serving in positions for 2023 have been installed and ready to serve in their duties, I know with their directions, Tangier will have a good and successful year.

The colder winter days are halfway over and in a short period of time we will in the warmer days so everyone can again get out to enjoy outdoor activities.

Onion recipe for this month.

Our instructions are for one onion, but you can easily bake up to six onions on the same baking sheet for an impressive dinner party spread.

Step #1 First, preheat your oven to 350°F. Peel your onion, leaving the root intact. If your onion sits level, you can leave it alone. If not, cut a thin slice off the root to create a flat bottom.

Step #2 Use a paring knife to cut a 1-inch-deep cone into the top of the onion.

Step #3 Insert a vegetable, chicken, or beef bouillon cube into the hole. We're using a standard-sized 4-gram bouillon cube here, not extra-large ones. You can cut large ones smaller as needed. If you're using granulated bouillon, use 1 tablespoon. Alternatively, you can use 1 teaspoon of your favorite seasoning blend. I really like to use Italian Sausage Seasoning or Montreal Chicken Seasoning with these onions. Note that if the blend doesn't contain salt, add 1/4 teaspoon of salt.

Step #4 Fill the rest of the hole with butter, about 1-2 tablespoons. Season with salt and pepper.

Step #5 Place the filled onion on a sheet of foil large enough to encase it. Wrap the onion in foil, bringing the edges up in the center.

Step #6 Twist the foil together to seal the onion in. Place the foil-wrapped onion on a baking sheet.

Step #7 Bake for 45-60 minutes, until the onion is tender. Serve warm.

Arbor Shrine Nobles and Ladies that have February birthdays on file are Mary Smith, Doris Martin, Shiloh Martin and Duane Smith.

REMEMBER that Arbor Shrine is always looking for Nobles to join Arbor Shrine and all Nobles are welcome to attend the dinner meetings that are the last Tuesday of the month at Valentino's in Nebraska City during the off-parade season.

Golden Girls

By: Marilyn Guss

The Golden Girls January meeting was on the 14th. Many topics were discussed, including families, current events, and local happenings. The meeting was followed by a catered lunch of lemon pesto basil chicken with pasta and salad, and a scrumptious dessert. Our next meeting will be on March 14th., at the lower level of the Tangier Shrine, at 11:30 a.m., with a catered lunch served at noon. In March, remember to watch out for leprechauns. Until next month . . .

Vintage Iron

I'm so excited spring is around the corner and things will be greening up!

Last month Vintage Iron served at hamburger night and we had a great turnout to help. Big thanks to all the members that help, we couldn't do it without your support. Thank You!!

We have Mid-Winter and CSSA Motor Corp in Omaha this year together for the first time, March 23-25. Try to attend and show your support for Tangier if you have a chance.

Remember to support all clubs, units, lodges and rites.

Vintage Iron meets the 4th Tuesday of every month in the basement at 7:00 pm. We would like to extend an invitation to you to join us, if you're interested in becoming a member of Vintage Iron.

** Don't forget to move your clocks forward on March 12 (Daylight savings time) **

Legion of Honor

By: Jeremy Martin
CSSA Cmdr 22-23

Welcome to March! Legion of Honor is growing and this year is going to be filled with some new events for us. Under Cmdr Freddie Clopton, we are looking forward to the parade season, starting with the St. Patrick's day parade. One or two of us will be heading to Tampa, Florida to attend the IALOH Convention at the end of April. Later this year, we will be going to Arlington for the IALOH wreath laying, which is just a humbling event. Starting on 1 April the Legion of Honor will start their Smoker/Grill raffle. We are also looking forward to CSSA coming in August. It will be a fun filled year and if you would be interested in joining with us please contact one of us for an petition to fill out or better yet come and meet with us on the first Tuesday of the month at the Shrine in the Green Room at 6:30pm.

Director's Staff

By Brian Jones

Luck of the Irish to you! It is March already, can you believe it? This year is full steam ahead and flying by. The Shrine has definitely been busy and not slowing down any time soon. We just had the party of the season... Mardi Gras. We had such a great turn out and we want to thank each and every one of you for coming. We cannot forget to thank everyone in the Directors Staff for coming together and working so hard to give you this incredible event. They truly are a fun and incredibly hard-working unit. Thank you all again!

This month has so many awesome events coming up. Hamburger night every Wednesday, Mobile Nobles dinner and raffle, St. Patrick's Day Parade and St. Patrick's Day with a lunch and evening event. We don't stop there. The Daughters of the Nile have their installation, and of course we have to mention CSSA Mid-Winter Business Meeting. If you are still looking for more, get your tickets to the Potentate's Ball with Hospitality/Presentations night the last day of the month. Definitely something for everyone this month.

The end of March brings promise of Spring. A season that provides a sense of renewal and change. If you are looking to start something new or a change, come check out the Directors Staff. We meet in the lower level, the fourth Monday of the Month at 7:00pm. We would be honored to have you.

Unit members remember your 2023 dues are due.

Remember Nobles: a golf quote: "It took me seventeen years to get three thousand hits in baseball; I did it in one afternoon on the golf course."---- Hank Aaron.

Women's Auxiliary

By: Jan Moore

Hi from sunny Arizona. Just because I'm out of state doesn't mean I cannot write to you.

The February meeting was held with treats and good wishes for Valentine Day. Twelve persons attended and several items of business were accomplished.

Many tabs were cleaned and stored. Please remember that all tabs are now saved. We go through them and separate the aluminum from the steel and save both now. The steel do not net as much money per pound but if we have many pounds the money adds up.

One of our members(name withheld at this time) makes blankets to send to the clinic in Minneapolis. She presented 10-12 in February. What a great gift the blankets are and what a gift the member is also.

We have almost \$100 so far from the change jar project. If you haven't picked yours up yet, see Pam for a jar. This is a simple quick way to make money for the wheelchair fund at the clinic. As I have told you in the past, Shriners does not pay for wheelchairs and other adaptive equipment.

This year makes 100 years of existence of the Women's General Auxiliary . Several of us are planning on attending the meeting in April. We will get a van if there is enough folks who are interested in going. It is a time of fun and also very informative to see how other auxiliaries make money and also how much money has been made . We have a new sign to take with us this year to tell others who we are. Pam was able to get the sign for only the cost of shipping. Way to go!

Can't think of anything else to tell you so will sign off for now.

Be kind to all, you never what is happening

Kruzin Kushions

By: Dave Workman

The Kruzin Kushions would like to thank Joe Evans for his year as President of the club and welcome Jason Dueling into the leadership role. Their leadership has and will continue to grow the club. We are looking forward to the parade season and welcome anyone that would like to role in style. The upcoming events for the club are:

Comedy Night at Tangier-April 15th, a night of stand-up, improv and sketch comedy. Cinco de Mayo lunch and dinner-May 5th, come celebrate with good food and spirits.

Shrine Bowl Unit

Greetings from the Shrine Bowl Unit. The Shrine Bowl Unit hosted it's 4 dinner of the year February 16th with Special Teams coach Ed Foley as keynote speaker. It was great to get a fresh perspective of the Nebraska Football Team. by the time you read this, we will have hosted our 5th dinner of the year. The keynote speaker was Nebraska OC and Quarterbacks Coach Marcus Satterfield. We want to thank all the Nobles and Ladies that worked hard to put these dinners on. Shrine Bowl had it's annual Valentines Dinner Feb. 8th at the Oak Hills Country Club. The meal was excellent and the company even better. That being said, Good Times Were had By All! On April 7th, Good Friday, the Shrine Bowl Unit will be putting on it's annual Fish Fry at Tangiers. Come on out, have some fish and enjoy the fun. We will be hosting a Spring Game party at the Shrine April 22nd, 12 noon. Game starts at 1 P.M. in the Green Room. Brats and chips will be served and goodwill offerings will be accepted. Please bring a side dish if you want. "Life is like riding a bicycle. To keep your balance, you must keep moving." Albert Einstein

Provost

By: Chip Woodman

I wanted to thank all Provost who attended the Change of Command ceremony. We had a great turnout and as always an excellent dinner which was provided by Jim Hurl and crew.

The new officers for 2023 are: Chief - Brian Heath, Deputy Chief - Jim Schmidt, Scribe - Chip Woodman and Treasure - Carl Simmons

It may not seem like it but parade season is right around the corner. Our first parade will be the St. Patrick's Day parade, in downtown Omaha, on March 11th @ 10am. Hopefully the weather cooperates and we'll have a good day for a parade. All Provost are welcome and encouraged to come and join us.

As always, if you haven't been to a meeting for a while, come and join us on March 16th to hear about all the upcoming events firsthand and enjoy some good fellowship. If you're not a member of Provost and would like to be, or just want to see what our unit is all about, feel free to attend one of our meetings scheduled on the third Thursday of each month.

Mo-Ri

By: Noble Don

Hillbilly News

By: Cusin Hambone

Mo-Ri enjoyed a good turn out and an excellent meal at our January 26th first meeting of the year. This meeting represented the beginning of Mo-Ri's 50th year as a Tangier Club. President Randy ran a great meeting and we were pleased to have our Illustrious Sir and First Lady, Paul and Dawn Gonzales at the head table. They were accompanied by elected Divan members Assistant Rabban, Paul Bohannon Jr. and Recorder Jim Huebner and Lady Angie. Also, it is always a pleasure when several of our Past Potentates and their Ladies are in the audience. Congratulations to the Hodges for winning the split-the-pot drawing.

Now it is time to start planning for the 2023 Shrine Bowl. To start the planning off correctly, Mo-Ri has selected for sponsorship Isaac Conner, a senior from Bennington High School. We look forward to following Isaac's progress through the Shrine Bowl process and hosting him and his parents at the Tangier Player Parent Dinner on April 30 at our beautiful facility.

Want to know more about Mo-Ri, ask one of our officers or let the office know that you would like to attend our next quarterly meeting on April 27 at the Pizza King in Council Bluffs IA.

Tangier Tales

History that is Tangier

Let There Be Light

Greetings Nobles and Ladies,

The year was 1879. Rutherford B. Hayes was in the White House, still attempting to reconcile the divisions remaining after the Civil War. Frank Woolworth opened the first of what would be many 5 and 10-cent stores on February 22 in Utica New York. Milk was sold in glass bottles for the first time, in April. New York's "Gilmore's Garden" was renamed "Madison Square Garden" after President James Madison, in May and Thomas Edison began testing the first practical electric light bulb, in October. Edison would demonstrate his incandescent lighting for the public in Menlo Park on December 31. Electricity and Lighting would play a significant role in the life of the subject of this sketch.

James Edward Davidson was born on Nov. 10, 1879, in Flint Michigan, the first of five children of Wilbur Davidson and Margaretta (Turner) Davidson. In 1890, in Port Huron, his father constructed a 23 room home for his growing family. The home still stands and was placed on the National Register of Historic Places in 1972. Wilbur had many business interests in Michigan, specifically in Port Huron. He established a successful dry good business, was involved in real estate, insurance, banking, and other interests. His most important achievement may have been his organization of the Port Huron Light and Power Co. Not surprisingly, the Davidson home was the first electrified home in Port Huron.

As a youngster, James had a three-mile route of 106 subscribers to the Port Huron newspaper. He also was paid 50 cents a week, by a banker, to drive a cow from its pasture to be milked. During summer breaks and vacations, much of his time was spent at the Port Huron Powerhouse.

James attended public school in Port Huron and then took a business course at the Detroit Business University. Upon leaving school, he immediately went to work at the power plant shoveling coal for \$1 a day. Six to eight tons was common during a twelve-hour day. One night in 1899, during an outage, the superintendent was not on the job. James handled the crisis with such skill that he was made the superintendent the next day. He received \$75 a month and was on call around the clock. James took to the job and helped wherever needed. It was all hands on deck, in those days. He especially looked after the veteran engineers who, while unable to read or write, had taught him about the machinery of this invention called "electricity." He was 21 years of age and on his way to a 50-year career in the Power Industry.

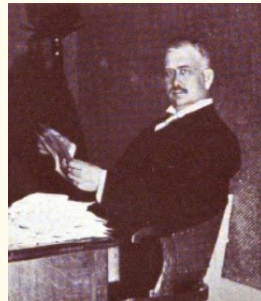

It wasn't all work with James, however, on April 15, 1903, he married Edith Lisle Stokes in Philadelphia Pennsylvania. They would be blessed with three children: Dorothy, James Jr., and John Davidson.

James continued to make a name for himself within the industry and would consistently be sought to evaluate and run companies. He was convinced by New York bankers to leave Port Huron and relocate to Vermont to run the Consolidated Lighting Company (CLC) in Montpelier. At age 30, James was enjoying his family and a \$4,000 a year position in Vermont. He was asked to survey Pacific Power on the West Coast. He didn't come back to Vermont. He was made general operations manager for Oregon, Washington and Idaho, ultimately rising to V.P and General Manager. In 1917 James was wooed to a new post, this time in Omaha. He was installed as V.P. and General Manager of the Omaha Electric Light and Power Company, soon to become the Nebraska Power Company. He was made President in 1928. When the company became publicly owned and known as OPPD in 1946, he was made General Manager.

While James was driven in his career, his community was of equal importance. He was a leader in Masonic and Shrine orders and was President and a Governor of Aksarben for many years, reigning as King in 1923. His daughter would be crowned Queen in 1927. He was a leader in the Liberty Loan and Red Cross during WWI and headed the Community Chest in 1923 & 1926. James was a close friend of Msgr. E.J. Flanagan, on the Boys Town Board of Trustees beginning in 1924, and one of the civic leaders who helped establish Boys Town. He was also instrumental in the creation of the municipal airport.

James had long been a hunter and was looking forward to an upcoming hunt. On November 12, 1949, Roal Carlson, his assistant for 22 years and Jack Wilson, General Manager of the General Electric Company picked him up at 5:15 a.m. They stopped at a café for breakfast, on their way to their blinds on the John Zimmerman farm a few miles west of Gretna. The decoys were placed, and Mr. Carlson went to one blind and Wilson and Davidson took position in the other. James took his shotgun out of its case and remarked, "Jack, it looks like we're going to have a pretty good day." He leaned back, it was thought to relax, and then slumped against his friend. At his side was his black lab, Jed. His death came among friends engaged in a favorite activity, with his trusted dog by his side, two days after his 70th birthday.

Once asked how he had been so successful, he stated, "When I was a boy, I was always anxious to hear the kind of sermon which would tell in a practical way the principles of success that one should carry in one's mind. Not having heard it. I began to think for myself. I found the answer in a one-line quotation in the Bible: "As he thinketh in his heart, so is he." In my humble way, I have attempted to weave this thought into my work as an employee and later as an executive of a public utility. Ninety-Nine per cent of the battle of life is using your head - thinking, developing your brain. Luck won't turn the trick. Luck is the alibi of the superstitious."

"Let Us Show You How Home Remodeling is Supposed To Be"

Chad and Kory grew up Elkhorn in the 80's riding big wheels together. Now they have traded in their big wheels for Black Carp's Trucks and remodeling homes in the Omaha Metro Area.

Keeping homeowners happy, comfortable, and informed is an integral part of our business practices. We are a locally homegrown business that will be here for you when you need us and make your remodeling experience an enjoyable and affordable one that you will be able to enjoy for years to come. With Carp's you get the advantages of a large one-stop shop with the customer service you might find at a smaller company. We started with one man and an idea of how, to do things the right way the first time around.

Our customers contact us when they want to deal with one company that can take care of all of their service and project needs.

We don't profit by overcharging and getting cheap labor and moving on to the next project. We believe that it is vital to have homeowners involved in every step of the process.
